## 1. New-Year's wishes

At the beginning of this new year, 2021, we wish all our readers a very blessed New Year. Our main wish for this year is that we may be able to return to normal conditions of living both the religious and secular aspects of our lives.

## 2. Pro-Life and Pro-Family

Mr. Frank Wagner has recently started to picket at the Victoria General Hospital roundabout

Here is his latest picketing schedule

Wednesday 6:40 AM to 7:40 AM and 3:30 PM to 4:30 PM

Friday 6:40 AM to 7:40 AM      Sunday 3:30 PM to 4:30 PM

He writes: "I pray **Rosaries for Our Blessed Mother Mary's Intentions** from the time I leave home until I get back home. . . ." He asks us to pray with him at home during some part of these hours.

## 3. Grave Concerns for 2021

As we enter into a new year, the World, our Country and our Catholic Church are threatened by grave dangers. If you read or watch only the secular media, then you will probably not be aware of this.

(a) **The World.** The near future events in the world will be greatly influenced by the outcome of the U.S. elections. Although the recent American elections were fraudulent in deciding States, Biden was declared President-elect by the leftist secular media. The Republicans are working hard in appeals to the courts so that only legal votes be counted. Whether they will succeed remains to be seen later this month. If Trump is declared to be the winner, we may have at least four years of relative freedom; otherwise, we face the rise of a socialist Government which will, by degrees, co-operate in the creation of a one-world socialist tyranny. What this means in the end is communism. Communism is another atheist fantasy to create a humanistic paradise on earth to replace the hope for God and His Kingdom.

(b) Like most other Western countries, our own country, Canada, already has a leftist government. Our Prime Minister, who has the temerity to call himself Catholic, has introduced and supported legislation that contradicts the moral teachings of our holy faith. He has already mentioned his support for a plan that would bring our country into the touted 'Great Re-set'. He is clearly a supporter of a *One World Order*, the principles of which would be secular and anti-Christian in their foundation.

(c) Under a One-World-Government, the Catholic Church will likely split into a heretical faction under a heretical 'Pope', Bergoglio, and a smaller faction, the Remnant, of Traditionalist Catholics, remaining faithful to the perennial teachings of the past 2000 years. This True Church will be persecuted and go underground. This is part of the Great Reset that has been much talked about. You can learn much more about this in the Traditional Catholic media, like *The Remnant* and the *Catholic Family News* and from conservative news media, especially on-line.

## 4. The Church and the World in the future

At the beginning of a new year, some people like to think about the future in light of the events of the recent past. In the corporate world, there is an existential need to review past results and, given expectations for the future, to make the needed changes in its operations and policies.

Apart from what we may think about the wisdom of Governments' responses to the covid-19 pandemic, their 'emergency measures' were quickly mandated and followed. Companies as well as individuals took swift actions, like producing masks, erecting physical barriers and demanding

physical distance between persons. When complete lock-downs were imposed, employees were kept busy working from their homes, being supervised through video technology like ZOOM

Over the past fifty years, we have witnessed enormous progress in technological development, especially in the fields of computers, automation, robotics, and also rocket design for explorations into space. The social impact of these changes has been enormous.

Modern communication and the proliferation of computers allow most people living in developed countries to communicate easily with each other, using our present *lingua franca*, the English language, to do so.

Vastly increased efficiencies in manufacturing and office work has caused many people to lose their jobs and to adapt to new jobs having different requirements and involving different work environments. A job for life has become a lost dream.

Apart from such dislocations, Catholics have had to deal with changes in the Church. This was extreme in and from the 1960s. Recently, more changes have come as a result of the restrictions on religious meetings owing to the covid-19 pandemic.

The new Mass (Novus Ordo) was a shock to many, be they clerics or laymen. We are all familiar with the revolutionary change from the traditional God-centred to people-centred liturgies. The results have been disastrous. Huge numbers of priests, religious and laics left the Church. Catholic religious practices have fallen by the wayside. Examples are praying the Rosary with the whole family, receiving Holy Communion on the tongue whilst kneeling at Altar rails, regular confession and the practice of indulgences, observing holy hours, and following the Stations of the Cross on Fridays. Even devotion to the Sacred Heart of Jesus has declined markedly.

The moral teachings, especially in sexual and life ethics, is seldom impressed upon the minds of the faithful; on the contrary, it is often distorted or even denied. Most of today's Catholics are poorly-informed about their faith. More than eighty percent don't believe in the Real Presence of the Sacred Species, erroneously believing that they are simply receiving bread and wine. Such people are practical Protestants, not Catholics. Many have never heard from their priests that recourse to artificial contraception is a mortal sin and that most so-called 'birth control pills' are, in fact, semi-abortifacients; that is, most contraceptive pills can have the effect of killing an already-conceived child. It is a little too late for a mother to learn on the Day of Judgement that she has sent one or more unbaptised children into limbo because she never knew this could happen.

Priests and Bishops put their own salvation into jeopardy when they fail publicly to condemn the sinful practices of contraception, abortion and euthanasia because such teachings are unpopular.

Likewise, priests must unambiguously preach about the sins of Sodomy, transgenderism, cohabitation, unworthy reception of Holy Communion, neglecting Mass attendance, etc.

It was thanks to Pope Benedict XVI that the Traditional Latin Mass was restored widely throughout the world. Its members will be the remnant of the Church that will survive the coming persecution.

The expectation of many well-informed people is that, if president Trump should be unable to gain justice in courts, Congress or state legislature then the formation of a One-World-Government (O.W.G.) will be inevitable. It will not be long after that, when the persecutions of the Catholic

Church will begin. There will be tolerance for the New-Church under Pope Francis' leadership as he has expressed support for the formation of an O.W.G. Orthodox Catholicism will not be tolerated but the false teachings expressed by Pope Francis will be acceptable until his death. The remnant of faithful Catholics will go underground but will be hunted down by modern tracing technology that can detect a person's whereabouts at any time. Then God will send death and destruction upon the earth as never has been seen before. It will be worse than the flood and the living will envy the death. After this, as prophesied, God will manifest a great miracle and conversions will take place in large numbers.

## LITURGY

The entire month of January is dedicated to the Holy Name of Jesus. There are three important feast days. This year they occur on the 5<sup>th</sup>, 6<sup>th</sup> and 12<sup>th</sup> of January, when we celebrate, respectively, the Feasts of the Holy Name of Jesus; of Epiphany; and of the Holy Family.

### **3<sup>rd</sup> January – Feast of the Holy Name of Jesus**

The importance of this Feastday follows from the text in the second letter of St. Paul to the Philippians **Philippians 2: 10** Ref. The Douay-Rheims on-line Bible: <http://www.drbo.org/> [10] **That in the name of Jesus every knee should bow, of those that are in heaven, on earth, and under the earth.**

### **6<sup>th</sup> January – Solemn Feast of Epiphany**

This feast outranked even Christmas Day before 1962 and was a holy day of obligation in Canada before 1973. *Epiphany* means *manifestation*. This day celebrates the manifestation of Christ to the Gentiles and hence to the whole world, as He was symbolically revealed to the Jews by the shepherds on the day of His Nativity. The three kings (Magi) gave symbolic gifts of gold, frankincense and myrrh, representing His kingship, His Godhead and His Eternal Sacrifice. Gold pertains to kings; frankincense is used as incense to honour God at His Altar; myrrh is used to perfume the bodies of the departed.

### **10<sup>th</sup> January – Feast of the Holy Family of Jesus, Mary and Joseph**

#### **DEVOTIONS FOR THE MONTH OF JANUARY**

We have produced the following devotions, all of which can be downloaded or read from our website:

1. Litany of the Most Sweet Name of Jesus
2. The Litany of the Holy Name of Jesus
3. Novena to the Holy Family
4. Devotions of the Holy Family
5. Litany of the Infant Jesus-1

#### **The Golden Arrow Prayer**

May the most holy, most sacred, most adorable, most mysterious and unutterable Name of God be always praised, blessed, loved, adored and glorified in heaven on earth and under the earth, by all the creatures of God, and by the Sacred Heart of our Lord Jesus Christ in the most Holy Sacrament of the taalr.

*This prayer is said to have been revealed by Jesus Himself to a Carmelite Nun of Tours in 1843 as a reparation for blasphemy. "This Golden Arrow will wound My Heart delightfully," He said, "and heal the wounds inflicted by blasphemy."* The Holy Face devotions are directed against blasphemy, communism and profanation of the Holy Name and the Holy Day.
